Professional Dog Walkers Association

Considerations when taking on a dog walker

Check list

Description	Response	Reason / Methodology
How long have they been	•	-
trading?		
(Do not be perturbed by a		
new business start-up.		
Many new businesses are		
very well prepared!)		
What experience and / or		
qualifications do they have?		
Do they advocate CPD		
(continuing professional		
development)		
development)		
Evidence of		
documentation		
- Public Liability		
Insurance, Employers		
Liability Insurance (if		
they have employees)		
- Professional Indemnity		
if they offer advisory		
services		
- any other additional		
services / products		
cover in which you		
might partake or may		
be relevant		
- Vehicle insurance		
- Criminal Disclosure		
certificate		
- Canine first aid		
certificate.		
If you accept their services,		
ensure the revalidation of		
their documentation after		
validity lapses		
Do they need / have a local		
authority or Park licence to		
practice?		
Not all councils have a		
licence procedure, but some		
do, your local Dog Warden is		
best placed to advise		
Membership of a		
professional body, they have		
probably agreed to abide by		
the body's charter / code of		
conduct.		
Ask what this entails		
Can they provide		
references?		
If so, take them up. Look at		
any reviews they may		

already have on social media, websites, etc The dog walker's priority should always be the welfare and safety of any dog in their care – what do they do to ensure this as far as practicable. Oo they: - Carry out risk assessments for their walks? - Carry out dynamic risk assessment for each dog? - Carry out dynamic risk assessments (continuous risk assessments (continuous risk assessment while out on a walk) - Do they carry out regular equipment integrity / fit checks (collar / harness / lead etc) - Do they carry out other additional checks How familiar are they with your breed? Group walks - How many dogs do they walk at one time? How many dogs are they insured to walk at any one time? How many dogs do the council allow them to walk at any one time? Will your dog be in a regular group or will he / she need to be able to adapt to different dogs? Do they offer ad-hoc walks? Do they prior does not be provided any additional enrichment on their walks? Do they provide their own business tags to attach to your dog's collar?		
The dog walker's priority should always be the welfare and safety of any dog in their care — what do they do to ensure this as far as practicable. Do they: - Carry out risk assessments for their walks? - Carry out risk assessment for each dog? - Carry out dynamic risk assessments (continuous risk assessments (continuous risk assessments (continuous risk assessment while out on a walk) - Do they carry out regular equipment integrity fit thecks (collar / harness / lead etc) - Do they carry out other additional checks How familiar are they with your breed? vour dog's collar?	_	
	your dog's collar?	
Is there a trial walk period?	Is there a trial walk period?	

Will they be willing to	
accompany you on a walk to	
learn your dog's cues for	
recall etc?	
What would happen if they	
deem your dog unsuitable	
for a group walk?	
What are their emergency	
procedures?	
Unfortunately, even with	
the best prepared risk	
assessments in place,	
unforeseen incidents can	
occur - vehicle breakdown,	
road traffic accidents,	
sickness (human or canine),	
incidents in public areas	
with third parties, injury	
(human and canine), lost	
dog etc to name a few	
Do they walk the dogs on or	
off the leads?	
Think about your dog's	
recall before giving	
permission to walk off lead	
Will they use your own	
equipment or ask	
permission to use their	
own? E.g. Harness	
Do they use slip leads?	
What is their policy for	
walking special needs dogs,	
sick dogs, bitches in season?	
What is their booking /	
cancellation policy?	
Can they accommodate	
short notice changes?	
Do they have additional	
staff / assistants?	
Where practicable, would	
your dog be walked by the	
same person or would there	
be any number of random	
walkers collecting?	
Check Employer's liability	
insurance	
Do they provide holiday	
cover, their holidays may	
not tie in with yours?	
Are you able to provide your	
own cover?	
Is there an ongoing staff	
training procedure in place?	
training procedure in place!	

Do thou have a key holding	
Do they have a key holding	
policy?	
Do they have a dedicated vehicle?	
When being transported is	
your dog safe and secure?	
Do they comply with The	
Highway Code (Section 57	
relates to the safe	
transportation of pets).	
Is their vehicle adequately	
ventilated / air conditioned?	
Is the vehicle insured for	
business use?	
Do they dry / clean up the	
dogs after a walk?	
Do they photograph the	
dogs and use the material	
on their website or social	
media? How do you feel	
about that?	
How do they clear up any	
mess?	
Do they have formal	
paperwork?	
What records do they keep?	
How long do they keep their	
records?	
How much do they charge,	
are there any additional	
costs such as registration /	
slot retainer fees, mileage,	
booking amendments etc?	
How do they bill you and	
what is the preferred	
payment method?	
Do they provide regular	
doggy appraisals?	
This might cover areas such	
as the dog's enjoyment,	
behaviour, interaction with	
other dogs where applicable	
etc, recall, lead walking,	
travel etc	
traverett	

Notes:
